

17th CL Davis Diagnostic Pathology Symposium: Diagnostic Renal Pathology

October 13, 2017, Friday, 8am- 5:50pm

San Diego, California

in conjunction with the 60th Annual AAVLD annual meeting

The Charles Louis Davis DVM Foundation will be conducting an eight-hour continuing education symposium entitled “Diagnostic Renal Pathology” on October 13, 2017. Course Director Paco Uzal (University of California Davis) and invited guest lecturer Rachel Cianciolo (The Ohio State University) The following topics will be covered: The normal histology and ultrastructure of the kidney with a review of the nephron physiology and pathophysiology, glomerular diseases in small and large animals, anomalies of development including hereditary nephropathies , whole organ renal diseases, tubulointerstitial diseases, neoplastic diseases of the kidney and discussion of the presented material.

Didactic lectures will be combined with audience participation to result in an engrossing day-long seminar. CL Davis is an approved CE provider. Don’t miss out on what promises to be another exciting C.L. Davis/AAVLD co-sponsored symposium.

Tuition of \$150 includes refreshments, pdfs of presentations and continuing education credits. The tuition fee will be waived for the winners of the travel award.

Please Pre-register to guarantee receipt of materials. Registration is through CL Davis and is separate from meeting registration fees.

Additional information and registration materials are available at the CL Davis Foundation Web site: <http://www.cldavis.org> or call 847-367-4359.
