

## **THANK YOU TO OUR 2005 MEETING EXHIBITORS & SCIENTIFIC SESSION SPONSORS**

Exhibitors are vital to the financial and scientific success of our annual meeting by providing funding to offset the association costs and most of all providing attendees the latest information on their upcoming and current product lines. Their support over the years has allowed the meeting to grow and kept the registration fees relatively low. We wish to express our heartfelt appreciation to all these companies for their continued support.

### **Scientific Session Sponsors:**

**Bio-Rad Laboratories (First and Second Plenary Sessions)**  
**Idexx Laboratories Inc (Second Plenary Session)**
